## HARVEST FOR HOPE 5k

### Sponsorship Opportunities

**Saturday, October 3  
5 p.m.**

Riverfront Park  
551 W. Lambert Lane

The fourth annual Harvest for Hope 5k Run/Walk is a community event designed to bring hope to those who struggle to feed themselves and their families.

It is hard to believe, but in our own community, many people go to bed hungry at night. The Harvest for Hope 5k will bring our community together to supply many families with the food they desperately need. Participants walking or running this race do not pay an entry fee – they only bring a bag of canned food that is donated to Catalina Community Services for distribution to needy families.

Last year we raised more than 5,000 pounds of food and more than \$7,000 in cash for the Food Bank, and we received tremendous feedback from everyone who participated!

We invite you to be part of this exciting event by making a donation or participating as an in-kind sponsor. The opportunities are not limited to what you see here. Please be creative if you have an idea of how you might participate to bring this event to life.
